SUBJECT – 100% PHYSICAL ATTENDANCE

Dear Parent,

Warm greetings from BIIS!

As per the directives received from the MoEHE, in coordination with the Ministry of health, 100% physical attendance with precautionary measures **w.e.f 30th January 2022.**

Parents are requested to note the following guidelines:

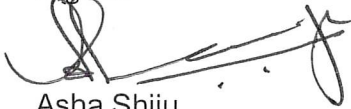

- All students must take a weekly rapid antigen test at home to get permission to enter school, provided that the examination is done within 48 hours before returning to school.
- All student must bring the result of the home examination to the school through the declaration form signed by the guardian every Sunday. (The declaration form with the circular is attached). Students without the approval form will not be allowed to attend school.
- Online classes will be given only to those students who are infected with the COVID -19 Virus or if they were in contact with infected person.

Notes:

- Students must wear their mask and carry additional mask and sanitizers.
- Students must wear their ID cards daily.
- The student must attend the class regularly. If they do not, they will be marked as absent on the ministry portal.
- It is mandatory for parent to inform the school immediately when child or any member of the family is tested COVID 19 positive or is exposed to COVID 19 positive person.
