SUBJECT: ASSESSMENT OF STUDENT'S LEARNING

"Assessments are the building blocks for Academic Excellence"

Dear Parents,

Warm greetings from BIIS Family!

Assessment in schools is an integral part of learning. We at Brilliant Indian International School always believe in enhancing the learning experience and promoting academic excellence. We have designed various tools in alignment with school's vision of providing a student –centered educational environment.

Students at BIIS are assessed mainly in two areas: namely, Scholastic and Co-Scholastic. We conduct the **monthly oral test and term-wise written assessments** for students of KG 1 and KG 2. Students of Grade I and Grade II will be **continuously assessed** and every month worksheets will be conducted. Grade III to VI have **four assessments in a year** as mentioned below along with the **class-wise written tests**. The Co-Scholastic aspects of students will be graded on a 5-point grading scale.
