Dear Parents,

Greetings from BIIS family.

First and foremost, I would like to thank all of you for your continuous support and co-operation during these difficult times. I fully understand the difficulty and huge effort that parents have to take in assisting with remote education. Your support is the backbone of our success and I count on your continued support in the coming days. I assure you that me and my team, supported by management will do all that it takes to achieve great outcome.

As you are aware, we are awaiting the delivery of text books from India and have been continuously following up with the concerned parties and authorities in getting it delivered to you. It is unfortunate that the huge surge of pandemic is causing further delay and the lockdowns are making it unpredictable to firm up the date. The earlier target of 2nd week of May is at risk. However, to overcome this issue, we will be providing printouts of the lessons which will be covered in First Term which ends on 22nd June' 21.

I would also like to inform that on the occasion of 'Eid al-Fitr', students will have holidays starting from 09/05/21 to 18/05/21. During holidays, printouts will be made ready for delivery and you will be notified to collect it from the school. The Schedule for collection will be intimated to you soon. I sincerely thank you for your support and understanding; and regret the delay and inconvenience.

I would like to take this opportunity to wish you and your family in advance, all the blessing of 'Eid al-Fitr'. Stay safe and Take care.

Thanking you all,
Sincerely,

Asha Shiju
Principal
