AL-AZHAR GROUP
OF INSTITUTIONS

Al-Azhar Group of Institutions, Thodupuzha, Kerala, India is a center of excellence located in the heart of Idukki district. A humble beginning that began in 2002, the group now has 42 programs under 12 institutions with over 7,000 students in India and Qatar. Al-Azhar has various merits and scholarship-based programs to ensure that everyone has an equal opportunity for an education. Apart from academics, the campus also exerts on students pursuing their passion and interests.

Holistic and Diverse Learning through Collaboration between Students of Different Programs and Institutions

Regular cultural, arts, and sports events are a part of the daily life of students.

At Al-Azhar,

We are constantly evolving to meet the changing needs and to take advantage of the latest technologies. Al-Azhar is always at the forefront striving towards bettering the educational environment. With advanced facilities and the presence of qualified faculties who have an admirable industrial track record, Al-Azhar has maintained an excellent academic atmosphere. The campus, apart from its modern facilities, is designed to project a stress free environment. This helps students to boost productivity and learn in an invigorating environment.

“The state-of-the-art facilities and resources complement teaching and make learning an enjoyable process.”

Distinct libraries within each college and Wi-Fi connectivity throughout the campus enables students to broaden their education. It helps them to stay on par with talents from around the Globe. The teaching aids in the institution include but are not limited to audio-visual multimedia LCDs, overhead projectors, video projection systems, CDs, DVDs, and various other management-related freeware for social sciences and humanities.

Al-Azhar focuses on the holistic development of each student. Competence, Agility in converting learning opportunities, Flexibility of approach, an Optimistic outlook on life, etc., are the most valued attributes in the current job market. These virtues are developed by teaching the students the art of connecting the dots by stretching themselves intellectually, participate in various competitions inside and outside the campus, and look eagerly forward to winning most of their bouts!

The mantra of Stretch–Connect–Compete–Win is fostered in the campus of Al-Azhar in all its activities, preparing students for the real world ahead of them!

K M MOOSA

CHAIRMAN
AL-AZHAR GROUP OF INSTITUTIONS

“As a new academic year is about to begin, we welcome you to experience a campus that is green, young, and able to let humans stay human

MESSAGE FROM THE CHAIRMAN

Whenever a question on education is raised, the following quote always comes to my mind: "The whole purpose of education is to turn mirrors into windows." The first college of Al-Azhar opened in 2002 with a mission to empower the youth of India through education. I believed that the development of the nation would happen by itself if we can foster the youngsters. Through the years, Al-Azhar has structured an effective and holistic education system that prepares the students to be an effective and efficient workforce and make the best use of the opportunities that the industry sends their way. Add-on programs, Competitive exam coaching, MOUs with several reputed companies, etc., have enabled students to excel in their field of interest. With an ideal environment to follow one's interests, life at Al-Azhar is worth looking forward to.

With 12 institutions offering a diversified range of programs from KG to PG, Al-Azhar is on a quest to become one of the finest unaided campuses in Kerala.

We have laid the foundation stone for our first International School in Qatar. The school will be a humble attempt on our part to spread the light of education further. Apart from academics, Al-Azhar also stands for developing moral and ethical values of students.

It's a proud moment for me, as the founder of Al – Azhar, to see our students excelling in their careers and life in various corners of the world.

K M Moosa
Chairman

Adv K M MIJAS

MANAGING DIRECTOR
AL-AZHAR GROUP OF INSTITUTIONS

“In the past 19 years, Al-Azhar has stood by the people of Thodupuzha, whether it be provision of education for the underprivileged through scholarships or the provision of health care to the most needy or for the provision of gainful employment to the local population.

MESSAGE FROM THE MANAGING DIRECTOR

Amidst the scenic location of Idukki, Kerala, Al-Azhar is creating a revolution in the Education Sector through 12 academic institutions and over 7,000 students. By establishing the first International School in Doha, Qatar; Al-Azhar has made its presence known among the international community. Through the various Educational Institutions, we have been successfully striving forward in our mission to provide excellent & affordable education opportunities to a diverse student population.

When we began the journey, it was our mission to bring the light of Education to the bright spirited youth of Thodupuzha. Through education, we believed that development can be achieved easily. Today, with thousands of students from all over India, studying in our institutions, I am immensely pleased to say that we have achieved that and more.

With the help of experienced faculty and hardworking students, Al-Azhar is in the frontline creating exceptional leaders for tomorrow. The students who graduated from the various institutions have become successful professionals steeped in Indian values and modern outlook.

We have had the opportunity to be involved with the community at the deepest level. I feel a great sense of pride and satisfaction that over the many years, our family has had a role in impacting positively, the lives of people near and far, and in many ways.

Adv. K. M. Mijas

AL-AZHAR PUBLIC SCHOOL

Established in the year 2003, Al-Azhar Public School provides excellent education opportunities to children from KG to XIIth grade. Students have the option to choose between International Curriculum and CBSE. Al-Azhar focuses on nurturing innate skills shown by children at an early age. Co-curricular activities, sports, workshops, Fine Arts & Dramatics, Martial Arts, Yoga, exhibitions etc are conducted hand-in-hand with traditional education to ensure a holistic learning experience. Children are given the opportunity to be surrounded by professionals of all sectors. We believe that a diverse campus like ours will have the right influence on children and will help them develop strong soft skills.
